ParishSOFT Family Suite v5.0.1 Release Notes__last updated April 25, 2023

Issues Resolved in Version 5.0.1

Family Directory

Member Details

Fixed: Religious Education Tab in Student's Member Record Incorrectly Includes Removed Classes

Previously, the **Religious Education** tab in a student's member record incorrectly included classes the student was enrolled in that had since been removed from the organization's Religious Education program. We fixed this issue. After a class is removed from a program, it no longer shows on this tab in a student's member record.
