# ParishSOFT Accounting October 2023 Release Notes

These release notes inform you of new features, enhancements, and changes made in the October 2023 release of ParishSOFT Accounting.

## Browser Compatibility

ParishSOFT Accounting supports the following browsers only:

*Note*

*Microsoft officially ended support of Internet Explorer on June 15, 2022. The company is directing users to move to the latest version of Microsoft Edge.*

- Microsoft Edge 41.16299.15.0 HTML 16.16299

- Firefox:
  - ❖ For PC, Version 40.0 or higher
  - ❖ For MAC, Version 40.0 or higher

- Safari, Version 9.0 or higher

- Chrome, Version 62.0 or higher

## Additional Information

For information about recommended settings, IE's Compatibility View, and tips for using the various browsers, refer to our **Browser Information** page. To view this page, click the Browser Information link, located in the **Support & Services** section on your dashboard.

# Resolved Issues

## Fixed: Support and Services Link to Online Help Articles Not Working

In all ParishSOFT Accounting modules, the **Online Help Articles** link, located in the **Support and Services** section, is broken. When users click this link, they experience a `404 Not Found` error.
