ParishSOFT Accounting v3.00 - 2024 Release Notes

These release notes inform you of new features, enhancements, and changes made in the v3.00 release of ParishSOFT Accounting.

Resolved Issues

Change Label of Email/Username Field on Login Page

To avoid confusion for users for whose organizations are not configured for Multi Factor Authentication (MFA), the label of **Email/Username** on the login page has been updated to **Username**.

Bills

Hotkeys Now Working on Bill Entry Page

Hotkeys options on the **Bill** entry page were not working. This issue was resolved and hotkeys are now working correctly on Bill entry.
